Subject: New Jersey Open Public Records Act Request: Ring promo Stafford

Municipal Clerk Stafford Township, Stafford Township
OPRA Office
260 E Bay Ave
Manahawkin, NJ 08050

August 29, 2019

To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

Public records show that this city has entered into a Promotional Discount Agreement with Ring, Amazon's home security camera company. (<https://patch.com/new-jersey/barnegat-manahawkin/ring-brings-surveillance-subsidy-program-stafford>) These agreements direct city funds toward providing a discount on Ring products, such as doorbell cameras.

Therefore, I hereby request the following records related to Ring and possible Promotional Discount Agreements:

- 1) All calendar invitations, instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other documents that mention Ring devices and/or the Neighbors app. This includes A) any minutes/notes taken during meetings that discussed the use of Ring devices and/or the Neighbors app, B) any explanations (whether internally or externally generated) of how Ring devices and/or the Neighbors app work, and C) any other document that has been used to help explain the use, marketing, or promotion of Ring devices and/or the Neighbors app to any party, including internal documentation, public relations materials, and executive summaries.
- 2) A copy of any privacy impact assessments, use policies, standard operating procedures, data retention policies, legal opinions, warranties, non-disclosure agreements, contracts, liability waivers, insurance agreements, Promotional Discount Agreements, Requests for Proposals, Responses to Requests for Proposal, Memorandums of Understanding, Letters of Interest, usage policies, or informal agreements between the city and Ring.
- 3) A copy of any funding opportunity announcements, grant applications and grantor status/progress reports, reports to legislative bodies, annual reports that mention Ring or the Neighbors app, as well as audit records, including but not limited to security audits of the software, misuse reports, and reports to oversight bodies.
- 4) Any digital communications including but not limited to emails and text messages) as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention Ring or the Neighbors app.
- 5) Any digital communications (including but not limited to emails and text messages) between city government workers with Ring representatives.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. It will be used in the course of reporting for Motherboard, VICE's science and technology website (motherboard.vice.com).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Caroline Haskins

Hello Officer Fritz and Officer Fessler.

My name is Michele Beck and I live at 127 Barracuda Road in Manahawkin. There was a incident that occurred across the street from us on 5-24-19. Both of you have left cards for us at our residence regarding this incident and the possible footage that we may have on our RING video. My apologies for not getting back to you sooner. We are dealing with a lot at this time with my sick in laws.

I wanted to let you know that the day of this incident two police officers came over to talk with me and look at my footage at two separate times. They were unable to find anything of value pertaining to the issue. I also got an email from RING asking me to release my video to you. I hit the release button, so I hope you got the footage.

I hope that you are able to find something that we did not see. I really did not hear anything or witness anything that day besides Summer and her nice friends having a fun pool party. Good luck with your investigation.

Sincerely,

Michele Beck

Boost Leads with Video Requests

Ring Neighbors Portal Team <neighbors-portal@ring.com>

Tue 6/25/2019 6:59 AM

To: Christopher M. Fritz <cfritz@staffordpolice.org>

Requesting videos from Ring device owners can provide many leads, but you can always use more to close a case. Extend your investigation to non-Ring device owners in the area by **creating a Post** on the Neighbors Portal after submitting a Video Request.

Soliciting information from all neighbors in the area of interest increases your chances of receiving actionable evidence to help solve more cases with one click.

Best Practices

1. When submitting a Video Request, also **create a Post** to extend your reach
2. In your Post, ask neighbors to **share videos** from any kind of security camera or smart device
3. Provide your **contact information** so neighbors can reach out directly

Subject: Reaching out to talk about Amazon's Ring neighbors program

Hello,

I am a technology reporter for CNET, and I'm working on a story regarding Amazon Ring and the Neighbor program that police departments across the country have been joining.

At the International Association of Chiefs of Police Technology conference today, representatives from the Chandler Police department said that it received 25 free cameras from Ring for joining the program -- and was offered a free camera for each person in the community who signed up for the app.

I saw that Stafford's police department partnered with Ring recently, and I wanted to see if this was the same situation. I also know that Stafford's police recently offered a subsidy program that Ring matched, and I'm hoping I can learn more about it.

I'd like to see how officers have been using the Neighbors app to protect their community. Please let me know if you'd be interested in talking.

Hey Officer Fritz,

Our team just informed that this issue should be fixed by now! The next time you are available and near your computer you try and put out Welcome Post to the new neighbors that purchased Ring devices from the Subsidy! (Just to make sure the feature actually works this time)

Stafford Residents! Thank you all who joined us this past Wednesday for the Subsidy event, it turned out to be a great success. For the newest residents, Neighbors is a See Something Share Something App. We encourage all residents to share their crime/safety concerns with us as much as possible. Occasionally Ring will reach out to Ring users on the Stafford Pd behalf to help with our ongoing investigations, this is to better help serve the community and help us reduce crime in our community. Please note this app is not monitored by the Stafford PD 24/7 but we will do our best to respond in a timely manner. In case of an emergency please call 911 and share to the App at the appropriate time to alert your neighbors. If you have any questions please let us know #555-555-5555 Remember to encourage other residents in the community to download the Neighbors App by texting "staffordpd" to 555888. Thank you again Stafford community Members, we appreciate all your support!

Hi Paul. Far as I know, once Ring processes all of the vouchers - both online and the vouchers received Wednesday night - they will be sending the recipients a promo code to use online for their purchases. That email from Ring should be informative enough and explain what products are eligible as well as where to make the purchase.

Any issues please let me know. Thanks!

Subject: Your Ring + Stafford Promo Code!

Thank you for your application. Promo codes will be given on a first-come, first-served basis. Please note that receiving a code does not guarantee a discounted device as there are a limited amount of devices available for the program.

We recommend residents use their unique codes **as soon as possible** to take advantage of the program. Codes can only be redeemed on ring.com and are valid for a single-use only.

Only (1) product per household can be purchased with a \$100 discount off the retail price.

Code information:

- \$100 off the retail price of (1) select device: **NBSBstaff100-8hv729**

If you have any questions or are experiencing a problem using your code, please email partnerhelp@ring.com.

Eligible devices:

- Video Doorbell 2
- Video Doorbell Pro
- Spotlight Cam Battery
- Spotlight Cam Wired

- Spotlight Cam Solar
- Stick Up Cam Battery
- Stick Up Cam Wired
- Floodlight Cam
- Alarm Security Kit (5-piece)

While you wait, join the conversation happening in your neighborhood by downloading the free Neighbors App by Ring. You do not need a Ring device to join the Neighbors App.

Hey good morning Chris,

Long time no see, hope all is well with you and your parents. I wanted to reach out to you for 2 reasons. First of all, I was unable to attend your event last night, as I was at the National Honor Society dinner at Sea Oaks with my daughter. So I was wondering how I could apply for the leftover vouchers. Secondly, I have become a reseller of Ring products recently, so I have installed a large variety of these products for my customers.. If any of the residents that you deal with need assistance with installation or app integration, please feel free to give them my name and number. Thanks!

Subject: PRESS RELEASE: RING Subsidy Announcement

**Media Advisory: Stafford Township Police Department and
'Ring' Invite Residents to Launch Event for Subsidy
Program May 15th 6-8pm**

*Initiative aims to reduce crime in neighborhoods by investing in
affordable and effective smart home security for residents*

Stafford Township, NJ – 4/30/19 – The Stafford Township Police Department today announced its partnership with Ring and details for the upcoming launch of a joint subsidy program that will provide discounts for local residents who wish to purchase select home security devices. With funds from the Stafford Police Foundation and the Stafford Township PBA Local 297 along with matching funds from Ring, the \$40,000 program will enable 400 verified Stafford Twp. residents to receive a \$100 discount code to use towards the purchase of select Ring security devices. The subsidy program will kick off with a launch event on Wednesday May 15, 2019 at the Stafford Township Municipal Complex where eligible residents may attend in-person and participate in the program on a first-come, first-served basis.

WHAT: Ring Subsidy Program Launch Event

WHEN: May 15, 2019 from 6pm-8pm

WHERE: Stafford Twp. Municipal Complex

WHO: Representatives from Ring & Stafford Township Police invite local residents to join them for a launch event for the new subsidy program with opportunities to;

- Register for the subsidy program (registrants must be Stafford Township residents with a valid form of ID & copy of a utility bill).
- Learn more about Ring security devices, ask questions & purchase products on-site.
- Purchase eligible devices and select accessories on-site. Residents are encouraged to review full program details included below and refer to eligible product details, FAQs and other information available on [Ring's website](#) prior to attending the launch event.
 - Residents will not have the option to RSVP in advance and are encouraged to arrive early and prepared via the instructions below

About the Subsidy Program

The subsidy program will incentivize the purchase of Ring Video Doorbells and Ring security devices that connect to a user's mobile device via the free Ring app ([iOS/Android](#)). Residents are then

notified when the device's motion sensor is activated or if someone rings their Doorbell; they can also choose to view the camera's live video feed at any time. Optional video subscription services are available for purchase to residents who want to save their Ring recordings to view or share them at a later time.

Stafford Township Program Details and How to Participate

- The subsidy program will open to Stafford Township residents who attend the kick-off event with proper documentation on 5/15/2019 from 6pm-8pm
- Residents must attend the kick-off event in person and provide a valid form of Government ID and a copy of a utility bill in order to verify residency and receive their subsidy discount info on a first-come, first-served basis.
- Discounts will be provided to confirmed residents and applied by a Ring team member at checkout towards the purchase of eligible Ring products at the event. Only credit card purchases will be accepted, no cash or checks.
- Stafford Township residents will have the opportunity to purchase the following devices with \$100 off the retail price:
 - Video Doorbell 2
 - Video Doorbell Pro
 - Spotlight Cam Solar
 - Spotlight Cam Battery
 - Spotlight Cam Wired
 - Floodlight Cam
 - Stick-Up Cam Battery
 - Stick-Up Cam Wired
 - Ring Alarm Security Kit (5-Piece)
- *Ring is also offering \$30 off additional security devices with a maximum of two (2) per household, and 20% off accessories. Visit [Ring's website](#) for product descriptions and specifications.*
- Residents will also need to pay an additional subscription fee if they would like to save device footage or sign-up for the alarm monitoring service. For more information about Ring's products, please visit Ring.com/products.
- If the subsidy does not sell out during the kick-off event, the City will post an application form to their website allowing other residents to participate until the program funding limit has been reached.
- Eligible residents will be sent a set of codes redeemable only on Ring.com at 3pm PT daily Monday-Friday, excluding holidays.

About Ring

Ring's mission is to reduce crime in neighborhoods by creating a Ring of Security around homes and communities with its suite of home security products. The Ring [product line](#), along with the Ring [Neighbors](#) app, enable Ring to offer affordable, complete, proactive home and neighborhood security in a way no other company has before. In fact, one Los Angeles neighborhood saw a [55 percent decrease](#) in home break-ins after Ring Doorbells were installed on just ten percent of homes. Ring is an Amazon company. For more information, visit www.ring.com. With Ring, you're always home.
